21/09/17	Mid North Vets Clare		
28/09/17	Stableford (Champs)		

* Invitation Day is designed to get some new golfers out playing Vets, You must have a partner who is not currently playing golf at Clare to qualify for the top prize. If unable to find a partner, we will pair you up for the lesser prize.

** Par Bisque, It is Par as usual, but you must declare at the conclusion of each hole, how many of your handicap you are using on that hole. It's your choice, when to use your allotted handicap, But don't get caught with any in the bank.

*** Multiplied Stableford Pairs, We will pair you up and you both keep individual S/Ford scores, but one of you will also keep a card showing your multiplied score, Remember $3 \times 0 = 0$, so you must try to score at least one point.

****Mulligans, Its Stableford as usual, however you get a chance to replay one shot on each hole, You can choose to re-hit any shot, but remember, you have to play the replayed shot, even if it is worse than the first one, They do not carry over to the next hole so if you don't use it, you lose it.

*****Pinehurst, We will pair you up and you both drive, you then hit each other's ball for the second shot. You then select the best option and the one who didn't hit it, plays this shot and alternate till it's in the hole.
